

An Act

SENATE BILL 21-229

BY SENATOR(S) Danielson and Story, Bridges, Buckner, Cooke, Coram, Donovan, Fenberg, Ginal, Gonzales, Hansen, Hisey, Jaquez Lewis, Kolker, Moreno, Pettersen, Priola, Rankin, Scott, Simpson, Sonnenberg, Garcia; also REPRESENTATIVE(S) Amabile and McKean, Bacon, Bernett, Bird, Bockenfeld, Caraveo, Catlin, Cutter, Duran, Esgar, Exum, Froelich, Gonzales-Gutierrez, Gray, Herod, Hooton, Jackson, Lontine, McCluskie, McCormick, McLachlan, Michaelson Jenet, Mullica, Ortiz, Pelton, Ricks, Roberts, Snyder, Valdez D., Will, Young, Garnett.

CONCERNING THE CREATION OF THE RURAL JUMP-START ZONE GRANT PROGRAM, AND, IN CONNECTION THEREWITH, MAKING AN APPROPRIATION.

Be it enacted by the General Assembly of the State of Colorado:

SECTION 1. Legislative declaration. (1) The general assembly hereby finds and declares that:

(a) The rural jump-start zone program attracts businesses to rural and economically distressed parts of the state, thereby creating jobs and stimulating local economies;

Capital letters or bold & italic numbers indicate new material added to existing law; dashes through words or numbers indicate deletions from existing law and such material is not part of the act.

(b) The rural jump-start zone program is one of the office of economic development's premiere programs dedicated solely to supporting rural businesses and the only program that provides direct benefits to those businesses' employees in addition to the businesses themselves;

(c) It is important to provide additional grant funds for new businesses in coal transition communities, or tier one transition communities, because even though actual closures of Colorado's remaining coal-fired power plants and any related closures of coal mines are at least several years off, jobs are already starting to disappear from these communities through attrition. Consequently, there is greater need in such communities for economic diversification and for the creation of new primary employers.

(d) House Bill 20-1003 was an important opportunity to expand interest and garner more participation in the rural jump-start zone program and ensure that it works efficiently for all of rural Colorado; and

(e) Senate Bill 21-229 significantly expands the benefits that these new businesses are able to receive so that there is not just tax relief but also cash grants that increase the incentive for new businesses to move to rural Colorado to create jobs and stimulate local economies.

SECTION 2. In Colorado Revised Statutes, 39-30.5-103, **add** (12) as follows:
