RE: SB21-148 - SUPPORT

Members of the Senate Finance Committee

Senators,

The Colorado Alliance for Retired Americans is in strong support of SB21-148, Creation of Financial Empowerment Office.

This is a very important bill and years overdue especially since the Federal Government decreased the power of the Consumer Financial Protection Agency during the previous administration.

It will allow Coloradoans the resources of improve citizens financial management. It should help alleviate the issues that many of our citizens have. Denver has taken the first step and we need to make this a statewide solution.

Sincerely,

CARA Lobby Committee, Mona Moffatt, Sara Gagliardi, Sheila Leider, Ed Augden
