

## Initial Bond Set CY 2011 to 2018

### Background

Felony and misdemeanor/traffic cases with pre-disposition bond records from 1/1/2011 to 12/31/2018 were extracted from Judicial Branch's ICON system. Denver County misdemeanor/traffic cases were not available.

Cases can contain many bond records, due to bond reduction/increase events, or new arrests. The following rules were used to analyze a single bond record per case:

1. The first posted bond record was selected. If bond was not posted, the first bond record was selected (excluding "No Bond" records).
2. Bond records contain a "set type" and a "post type". If the bond set type was blank but the post type was available, the post type was used for bond set type.
