## FINAL REPORT: POTENTIAL PUBLIC HEALTH IMPACTS OF NATURAL GAS DEVELOPMENT AND PRODUCTION IN THE MARCELLUS SHALE IN WESTERN

Below is the final report for public comment. Comments will be provided to the Marcellus Shale Advisory Commission for consideration along with the final report at their September 15, 2014 meeting. The Department of Health and Mental Hygiene will receive comments until Friday October 3, 2014. A copy of the report in PDF format can be downloaded here (/Uploads/2/4/0/8/24086586/final\_report\_08.15.2014.pdf). For additional information and to read comments on the report by three expert external reviewers, please go to the DHMH Marcellus Shale and Public Health (<http://phpa.dhmh.maryland.gov/OEHFP/EH/SitePages/MarcellusShale.aspx>) page.

### Potential Public Health Impacts of Natural Gas Development and Production in the Marcellus Shale in Western Maryland
